

First 25dpi CHROMOJET Printer in China!

admin / PDF / Thu, 01/26/2017 - 14:40

On Aug 4, 2009, the first 25dpi **CHROMOJET⁴⁰⁰** printer was inked successfully in China Weihai between **ZIMMER AUSTRIA** and China Haima.

Haima Carpet Co., Ltd is one of the leading carpet companies in China, very well-known for its constant renovation and creative concept. Haima purchased a **CHROMOJET⁴⁰⁰** in 4 m width with 8 colours and 128 jets per colour in order to develop new carpet tile products and market.

In the photo, they are Madam Zhang Bo (second from left), GM from Haima Carpet Co., Ltd, Mr. Tony Naschberger (second from right), Manager in Carpet Printing Systems Zimmer Austria, Mr. Tian Yonghai (first from the right), Deputy General Manager from Haim Carpet Co., Ltd responsible for production , Mr. Zhang Ze, General Manager from CEO Beijing | Zimmer partner in China (first from left?).

Following the first **CHROMOJET⁴⁰⁰** printer 25dpi with Haima, in the same month, Yiwu New Rainbow Craft Carpet Co., Ltd in Zhejiang Province signed the contract with Zimmer for purchasing 25dpi printer in 2m width with 12colors and 128 jets per color, which is the second **CHROMOJET⁴⁰⁰** Printer 25dpi being introduced into China.

First 25dpi CHROMOJET Printer in China!

Yiwu New Rainbow is a privately-owned enterprise, mainly focusing on bath mats. It is a new star zoomed out in China carpet field in recent years. Ms Yu, General Manager, along with the enterprise's persistent spirit and creative concept impresses greatly the customers both in domestic and overseas markets.

ZIMMER AUSTRIA has already started the production of these two machines and will deliver to the above two companies at the beginning of 2010.

Up till now, **ZIMMER AUSTRIA** has installed more than **CHROMOJET⁴⁰⁰** systems successfully all around the world.
